THANK YOU

**The Freeport Auditorium Fundraising Committee**

We are a small group of local people who are committed to the performing arts. We are excited about our new performing arts facility and hope you will join us in our efforts. We want Freeport to provide the best facility with the best people staff. If we make our goals, we will be able to realize the "Art of Learning" program and the "Arts in Education" program.

# Freeport Auditorium Fund

Our new performing arts facility will open its doors in December.

We'll have a brand new stage—help us hang a new curtain!

Help us bring up the lights and cue the sound.

Then help us all enjoy the applause!

## Outfitting a new place for Freeport's performing arts, public assemblies, and forums

Our new auditorium, when fully equipped, will give students a fine place to assemble, learn, practice, rehearse and perform in a safe, comfortable and appropriate environment. Designed to meet needs of the high school's growing student body and its Band, Chorus, Drama and Videography programs, the auditorium will also serve as a presentation and gathering space for school, community and business events.

### This auditorium will include:

- 500 comfortable seats
- A stage with performance area that doubles the performance space of our current stage
- A Music room adjacent to the stage area to be used for performing arts classes, practices and rehearsals
- Three small music practice rooms
- Office space for the Music program staff
- Instrument and music storage areas
- Theatre control booth for audio, lighting and video for the auditorium.
- Videography lab and studio
- Theatre storage for props and costumes
- Box office and concession area
- A two-level lobby that serves both the auditorium and gym entrances
- Air conditioning!

### An unexpected shortfall—but we don't need millions

Large portions of the auditorium's funding needed to be used for unplanned but mandated expenses (installing sprinkler systems throughout the entire existing high school, and sleeving a sewer line that runs under the auditorium). To fully equip our new facility, we must make up this shortfall, as well as obtain funds for some additional enhancements. We have set a fundraising goal of \$300,000.

The auditorium will be a fine new space for all of us. We are seeking these funds from all members of the community: students, parents, grandparents, citizens, business owners, corporations, foundations, and visitors. **Donations are tax-deductible.** No gift is too small (or too large!) VISA and MasterCard are available options for an immediate gift or for giving over time.
